

窺見融合--數學, AI 與醫學影像

A Glimpse into the Fusion-Mathematics, AI and Medical Imaging

數學與人工智慧的結合，對於本系資數組的發展與同學學習動機的提升將大大的有幫助，陳博士的經驗對於數學透過AI實質的應用於醫療影像，更吸引同學的學習甚至對於未來跨領域的學習，發展出多元的職涯發展相當有幫助。

The integration of mathematics and artificial will greatly benefit the development of the department's faculty and enhance student motivation. Dr. Chen's experience in applying mathematics to medical imaging through AI will be highly engaging for students and will even be instrumental in fostering cross disciplinary learning and developing diverse career paths.
